

Meet Your Match Program

Meet Your Match is an ASPCA program that the Spokane Humane Society uses to match pets with potential adopters to help ensure that the best possible match is made. If you want to help us increase adoptions and reduce return rates this is the program for you!

“Personality Tester” Level One Volunteer: These volunteers are responsible for performing canine or feline-ality testing. Placing the appropriate personality description on the animals kennel card and ensuring that the testing room is clean and orderly.

*Required training: 20 hours as a ‘Woof Walker’ or ‘Cuddle Crew’ volunteer. Feline or Canine-ality video, at least one shifts with a staff mentor.

*Required time commitment: One shift at least twice a month.

“Matchmaker” Level Two Volunteer: These volunteers help the public find animals that are the best fit for their lives and families. Working with both the cats and dogs, volunteers assist the public in completing Meet Your Match adopter surveys and help them to understand the program. May also assist in removing animals from kennels to interact with potential adopters.

*Required training: 5 hours as a “Personality Tester”, Meet the Adopter training, Matchmaker class.

*Required time commitment: One shift at least twice a month
